

**PROPERTIES  
OF MERIT™ 2007**  
**NORTHERN LEHIGH**

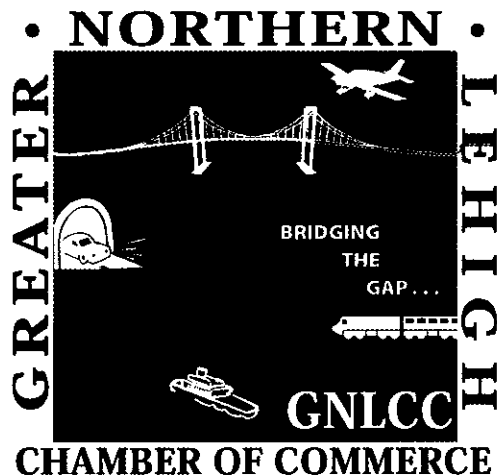

The POM Committee will grade properties using a common method and the winners will be announced at the Properties of Merit ceremony in November of 2008.

Northern Lehigh Properties of Merit is a community revitalization program supported by the Greater Northern Lehigh Chamber of Commerce.

The foundation of all Properties of Merit™ programs is that well-maintained residences, businesses, rentals and institutions collectively have a dramatic impact on the quality of life of communities.

If every owner spent an additional hour each week on their property, the revitalization of any community would be assured.

Its' annual awards program seeks to positively impact property maintenance by rewarding and recognizing those property owners that maintain their properties in an outstanding fashion, thereby directly impacting the quality of life in that block, neighborhood, community and inspiring others to do the same.

“The mission of the Northern Lehigh Property of Merit Program is to enhance the pride of our Community by promoting Historical Heritage, Local Business, and the Tourism Industry.”
