

# Application for Greater Northern Lehigh Properties of Merit 2008

The Greater Northern Lehigh Properties of Merit's goal is to improve our communities' image by acknowledging residential and commercial properties who have consistently demonstrated their community spirit through the beautification of their property. Attractive, clean and well-managed neighborhoods discourage negative behavior and are key elements to a healthy community. Any residential or commercial property can be recommended for the Properties of Merit award. The recommender must describe below why the property deserves merit.
