

## **TRW TRACT BUSINESS OWNERS UNITE!**

**Are you a business owner who lives in the TRW Tract?  
Would you be interested in meeting other business owners in our community?**

Hi Neighbor –

I'm Vicki Cohen. I'm a realtor, and I've lived here in North Redondo for over twenty years – and right here in my TRW Tract home on Burritt Avenue for five years.

I'd really like to get to know my neighbors and develop referral relationships with other business owners in the area. That's why I've not only developed our neighborhood website, [www.TRWTract.com](http://www.TRWTract.com), but have also included a link titled "Local Business Owners", for Referral Business. If you'd like to be a part of this dynamic referral opportunity, just email me at [Vicki@VickiCohen.com](mailto:Vicki@VickiCohen.com)

Our first mixer on April 24, 2008 was attended by a Loan Officer, and Organizer, and Insurance Agent/Stock Broker, a Title Representative and of course, a Realtor – food and drinks were served.

If you have an interest in meeting monthly or quarterly at a local coffee establishment or perhaps each others homes, please call or email me today!

**Thanks Neighbor –**

*Vicki*
